Ramsgate Week

6th - 11th August 2023

Partner Opportunities

Ramsgate Week is a long established sailing regatta which attracts a range of competitors from the South East of England and the continent. Sailed in the pleasant conditions afforded by the shelter of Sandwich Bay, competitors vie for the prestigious trophies awarded by the Royal Temple Yacht Club.

With après sail entertainment centralised at the Royal Temple Clubhouse just a gentle stroll from the Harbour, the regatta has a 'personal' feel, and makes Ramsgate Week the 'friendly regatta'.

Regatta Expansion

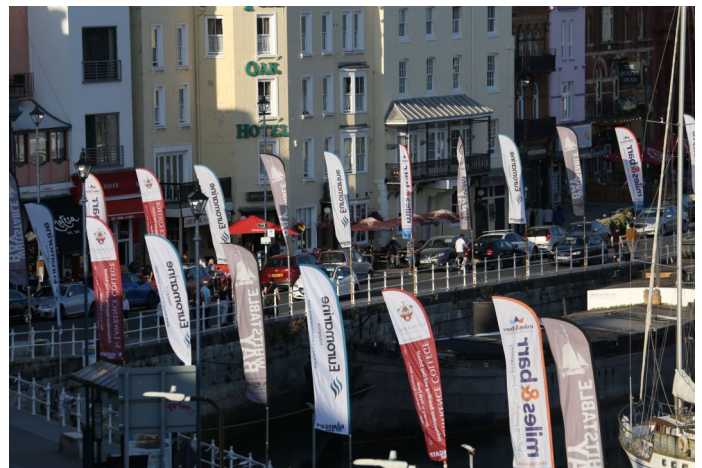

In addition to catering for the established serious racing fleet, the Ramsgate Week organisers are aware of the trend towards a preference for cruiser racing. In 2023, at least four cruiser racing classes will be offered, including a new class aimed at attracting the current crop of fast cruising yachts.

We are projecting growth in our regatta to a fleet of 80 yachts bringing around 500 competitors and supporters to the town of Ramsgate by 2025.

A Ramsgate Event

Ramsgate is well served by excellent travel links from London and attracts thousands of visitors with its broad sandy beaches, restaurants and cafes located around Britain's only Royal Harbour.

For 2023, the Regatta has been timed to coincide with school holidays. The Ramsgate Week Committee are coordinating with Ramsgate Town Council to ensure that the event is more than just a sailing regatta, and offers shore based activities to complement the action on the water.
