12. Risk and Responsibility Statement

12.1 Rule 4 of the Racing Rules of Sailing states “The responsibility for a boat’s decision to participate in a race or to continue racing is hers alone.”

12.2 Royal Temple Yacht Club accept no responsibility or liability for loss of life or injury to skipper or crew or others, or for the loss of, or damage to, any vessel or property.

12.3 The skipper and crew shall be held jointly responsible for the conduct of the boat’s crew before, during and after a race. Misconduct may result in both the person in charge and crew being excluded from future races and renders a boat liable to disqualification.

12.4 The race committee shall make starting signals unless in their opinion it is manifestly unsafe for any of the boats entered to remain in the vicinity of the starting line. Each boat shall exercise her responsibility under Fundamental Rule 4 Decision to Race and decide whether or not to start or to continue to race.

12.5 No boat shall be accepted as an entry unless the skipper of the boat has, before the start of the race, signed a declaration in the terms set out in the entry form.

12.6 Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

12.6.1 They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;

12.6.2 They are responsible for the safety of themselves, their crew, their boat and their property whether afloat or ashore;

12.6.3 They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;

12.6.4 Their boat is in good order, equipped to sail in the event and they are fit to participate

12.6.5 The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;

12.6.6 The provision of patrol boat cover is limited to such assistance, particularly in extreme weather, as can be practically provided in the circumstances;

- 12.6.7 Vessels setting to sea for offshore and coastal races are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather; and that safety equipment is properly maintained, stowed and in date and is familiar to the crew;
- 12.7 The fact that the race committee conducts inspections of a boat does not reduce the responsibilities of each competitor set out in this Notice of Race.

13. **INSURANCE**

Each participating boat shall be insured with sufficient insurance cover to meet all or any claims and with a minimum cover of £3,000,000 (GBP) in respect of third party claims.

14. **SUPPLEMENTARY INFORMATION**

- 14.1 Admiralty Charts – 1828, 1607 or 1183 (South Thames Estuary or Thames Estuary). 1827 may also be useful (Approaches to Ramsgate), but it is not essential.
- 14.2 The approach to Ramsgate for commercial traffic is from the east via a well-marked deep-water channel. This is used by large ferries and fast craft, and small craft are advised to keep well clear of such vessels and to proceed via the recommended yacht track to the South of the buoyed channel when approaching or leaving Ramsgate. All yachts should maintain a listening watch on VHF Channel 14.
- 14.3 A small craft holding area is in operation to the north of No. 3 buoy and to the south of the southern breakwater. Outer Harbour – Yachts must motor directly through the turning circle area when entering and leaving the Harbour.
- 14.4 The gate to the inner marina is open for approximately two hours either side of high water. By day a red and yellow flag and by night a single green light is displayed above the Dock Office to indicate that the dock gate is open.
